Iran and Russia oppose this project, ostensibly because of environmental concerns. Western routes could serve Europe, while southern or eastern routes could serve the Asian markets 18. Distribution and use of this material are governed by our Subscriber Agreement and by copyright law.

Majlis Podcast: The Tangled Politics Of Caspian Energy

It is very difficult to find out deals that happened when public figures were in private office but such connections have been widely reported in the American press. Prior to September 11, the Saudis ensured that the OPEC cartel was neutral, if not friendly, toward the United States even though its membership includes US adversaries such as Iran, Iraq, and Libya.

The Tangled Politics Of Caspian Energy

The issue of pipelines With deals to develop the oilfields in Azerbaijan and Kazakhstan already signed, the biggest problem facing foreign investors is how to transport the oil to foreign markets. The BTC is backed by a consortium, led by British Petroleum, and the prospects are that significant amounts of Caspian oil will flow from Azerbaijan to the Turkish Mediterranean port of Ceyhan in 2005.
