Texas History Timeline

Relax at the Amarillo Botanical Gardens Amarillo is home to a beautiful, petite with a variety of interesting landscapes.

Alibates Flint Quarries National Monument, Texas

Very glossy in natura, context, good sized pieces can be easily flaked, especially if fired, and many quality artifacts of several prehistoric periods--including the Clovis Site only 150 miles away--are of this material. Raids by Mexican outlaws intent on reclaiming Texas land as outlined in the Plan de San Diego escalated into guerrilla warfare.

Alibates Flint Quarries National Monument, Texas

As of the 2010 census, there were 190,695 people living in Amarillo.

FINDING THE FLINT: Identifying the Source Can Be Both Helpful and Easy to Do

The Jumano were trading partners of the Spanish for almost two centuries before famine and war sent their population into a steep decline. .

Legend Series by Marie Lu

Spanish explorer Alonso Álvarez de Pineda is credited with being the first European to explore and map the Gulf of Mexico.

'The Angel of 9/11': Haunting face appears in mangled girder taken from EXACT spot where first plane smashed into Twin Towers

Larger strikes in 1918 and 1925 caused a huge boom, drawing more than 20,000 people to the area before the boom died in the late 1920s. The first missionaries passed through far west Texas in 1581 on their way to the pueblos of New Mexico.
