1986 Census: Geospatial data and maps

Climate Scenario: Plausible and often simplified representation of the likely future climate, based on an internally consistent set of climatological relationships that has been constructed for explicit use in investigating the potential consequences of anthropogenic climate change, and often serving as an input to impact models.

Mapping the dimensions of suburbanism

The Archives also have a good selection of old lighthouse photos.

1986 Census: Geospatial data and maps

Les députés de Montréal ville et comtés , 1792—1867.

New Data

And Shawinigan, Baie-Comeau, and Dolbeau-Mistassini were selected from Québec.

Caribbean immigrants in Britain and Canada : socio

Often, names used locally differed from those in official documents. For example, several US Presidential Executive Orders have directed federal agencies to locate their major offices and courthouses in central business districts of cities E. Description: The catalogue is a tool for finding books,e-books, government publications, journals the journals themselves--not individual articles , dictionaries and encyclopedias, videos and documents in our archives.
