Benvenuto Cellini (Getty Museum)

It is an extraordinary record of absorbing interest on many levels: a spirited and candid revelation of a complex character; a narrative of historical importance for its account of the working life of a 16th-century artist in his relations with his family, friends, enemies, and patrons; and a document of great interest for a description of the techniques of sculpture which has still not been fully investigated. Because he is now wanted for murder, he plans to escape Rome with Teresa, but Ascanio reminds him of his obligation to cast the statue.
