The Press also features an extensive regional publishing program under its Quarry Books imprint. Four-credit courses that meet for 150 minutes per week require three additional hours of class preparation per week on the part of the student in lieu of an additional hour of formal instruction.

## Cold War from the African American perspective

What we are reaping today is the whirlwind. The reality is more likely the opposite; the suicide bomber is more likely born of a youth revolt than of patriarchal authority.

I tried to understand the movement away from Jamaluddin al-Afghani, Jinnah, Mohammad Iqbal, from a time when the project of political Islam was to bring more and more Muslim peoples into the political arena, to increase political participation through mass mobilization. In the 20th century, we see the movement of 8 million blacks from the rural south to industrial cities in the North. Four-credit courses that meet for 150 minutes per week require three additional hours of class preparation per week on the part of the student in lieu of an additional hour of formal instruction.

## U.S. Foreign Policy Toward Ethiopia and Somalia 1974

This, I think, is no mere coincidence.
