Analytical Psychology von C. G. Jung. eBooks

The E-mail message field is required. She would eventually leave her first husband and marry the British analyst H. He turned fifty, visited the Pueblo Indians of New Mexico and the tribesmen of East Africa, published his first book on the principles of analytical psychology meant for the lay public, and gave the first of his formal seminars in English.

Orell Füssli

Besides these literary paradigms, he made use of case material, examples in the fine arts, and diagrams. The seminar, conducted in weekly meetings during the spring and summer, began with a notably personal account of the development of his thinking from 1896 up to his break with Freud in 1912. In the elucidation of that theory, Jung analyzed in detail the symbolism in Rider Haggard's *She* and other novels. He then presented an introductory overview of his ideas about psychological typology and the archetypes of the collective unconscious, illustrated with case material and discussions concerning contemporary art.
