**Journal of mining science (Journal, magazine, 1965) [tech.radiozamanah.com]**

Counting Online Usage of NeTworked Electronic Resources standards. We use a double blind peer review format. Year International Collaboration 2005 2.

**Journal of Mining Science**

The journal aims to present to the international community important results of work in the fields of data mining research, development, application, design or algorithms.

**Archives of Mining Sciences (AMS)**

He has received many awards in China, including the Outstanding Young Researcher Award from Natural Science Foundation of China. Current projects include the spatial and temporal distribution and petrogenesis of the large-scale Mesozoic volcanic lavas in SE China, the enrichment processes beneath the cratonic lithosphere in the Sino-Korean Craton and the mechanism for Mesozoic crustal growth in NE China. The impact of a single citation is given higher value in subject areas where citations are less likely, and vice versa.

**JOURNAL OF MINING SCIENCE, 0.358, Scientific Journal Selector, JOURNAL OF MINING SCIENCE abbreviation, submission, acceptance rate, review time, editorial board, publication fee, JOURNAL OF MINING SCIENCE**

Frank Baaijens, a world leader in tissue engineering of cardiac valves and microvessels.

**International Journal of Mining Science and Technology, 0.000, Scientific Journal Selector, International Journal of Mining Science and Technology abbreviation, submission, acceptance rate, review time, editorial board, publication fee, International Journal of Mining Science and Technology**

The journal aims to present to the international community important results of work in the fields of data mining research, development, application, design or algorithms. As such they may not reflect the journals' exact competitiveness or speed. Lingen Chen was born in 1964.
