Woodland Road Silver Route Grade: Ramble Distance: 4km Time: 1hr 15 mins Climb: 90 m One Way System: Please walk this trail in an anti-clockwise direction. This was a good challenging line and was not to see a first free ascent until 1981, which came courtesy of Calvin Torrans.

### Wicklow Way

A staircase in the eastern wall leading from an adjoining domestic building would have given access to a room over the chancel.

### Wicklow rock

Luggala is overlooked from the far north-east by the larger of at 725 metres 2,379 ft. The destruction of the settlement by English forces in left it a ruin but it continued as a church of local importance and a place of.

### Wicklow rock

In 1214, the dioceses of Glendalough and were united. Gardai will still be operating in the area and will be towing illegally or dangerously parked vehicles. Perhaps the Irish climbers diverted them with some golden Irish grain and maybe a pint, or two, of porter, stout or plain? So if you don't have your own transport, consider taking a day excursion.
