Responses to Two Clubs

After a 0 3 or 1 4 reply to 6KCB, the cheapest bid by the Blackwood bidder below five of a raised suit is a queen-ask relating to both raised suits, with replies in steps: one step, no queen; two steps, one queen; three or more steps, two queens.

Your 2C Bidding Structure

Opener should make a cuebid only if he has more than a dead minimum. Today, most players have switched to a strong-and-artificial 2C, and they open it with somewhat less than Goren recommended. Over 2D ONLY, opener rebids 3H, 3S, 4C, or 4D to show a 4-4-4-1 distribution.

There is little reason for responder to show points. But if the opener had only 11 or points and opened light, then Game is probably out of reach.

Bridge: Lucas two bids and Muiderberg

With a minimum-range five-six hand, open in the higher and shorter suit only when the long suits are adjacent. There is no agreement on the difference between showing the same major-suit shape via transfer and via Smolen.

Responses to Two Clubs
