**Ex parte Milligan :: 71 U.S. 2 (1866) ::  
Justia US Supreme Court Center**

The guaranty of trial by jury contained in the Constitution was intended for a state of war, as well as a state of peace, and is equally binding upon rulers and people at all times and under all circumstances.

**John Taylor's Inquiry into the  
Principles and Policy of the  
Government of the United States, Part  
2**

Indeed, there are nuggets of gold shining here and there through out An Inquiry.

**US Government for Kids**

John Taylor was responsible for publicly naming the two authors. The guaranty of trial by jury contained in the Constitution was intended for a state of war, as well as

"There are two modes of invading private property; the first, by which the poor plunder the rich ... sudden and violent; the second, by which the rich plunder the poor, slow and legal."

- John Taylor (*An Inquiry into the Principles and Policy of the Government of the United States*, 1814)

a state of peace, and is equally binding upon rulers and people at all times and under all circumstances.

## **The Basic Structure of the U.S. Federal Government**

Moves toward emancipation Gradually, however, under the pressure of war, both governments moved to end slavery. Hostile principles cannot live in union and friendship.

## **United States**

But deterrence based only upon the threat of retaliation is less likely to work against leaders of rogue states more willing to take risks, gambling with the lives of their people, and the wealth of their nations.

## **John Taylor's Inquiry into the Principles and Policy of the Government of the United States, Part 1**

Through this medium, stockholding legislators will discover, that it is just to retain their annuities, by any means? Follow on Instagram for new 60-second summary videos of legislation in Congress.
