Fiscal Policy: Definition, Types, Objectives, Tools

Reaching the Next Generation Launched in 2012, is a rapidly growing, non-partisan movement of young people dedicated to addressing our fiscal challenges and preserving economic opportunity for the future.

Education Innovation, Fiscal Policy, and State Constitutions

Our education and engagement initiatives raise awareness and understanding of the national debt, demonstrate broad public support for fiscal sustainability, provide critical background and context to policymakers and voters, and inspire young people to take action to build a vibrant economic future.

Fiscal Policy Education and Awareness

Everything revolves around teaching and learning.

State Fiscal Briefs

Based on material that Holger Sieg has taught at the University of Pennsylvania, Urban Economics and Fiscal Policy brings the most recent insights from the field into the classroom. That is, the deficit and national debt could grow. Computer literacy on an electronic spreadsheet enables all participants to easily construct a budget, cost out alternatives, and monitor revenues and expenditures.
