In an attempt to determine the extent to which newspapers could be used as source material for describing local foodways, a series of newspapers from Campbell County, Tennessee, were surveyed. In the valleys the riverbeds are of loamy mud; on the mountains, they are mostly sandstone mixed with some limestone.

## Traditional Construction Patterns

I will have first to explain that Captain John Stuart had a brother, Henry Stuart, stationed, as his agent, at the towns of the Cherokees, Chickamaugas and Creek Indians. Limited test excavations revealed a central burial pit, earthen mound, and limestone cap.
