## Conferences

There is also a third type called critical, but it is rarely used. Then, in a separate document, rewrite the sentences and phrases in your own words. They have different aims, so as a consequence they have different components and styles.

## Writing an Abstract for Your Research Paper

Good abstract: If the journal you want to publish in accepts graphical abstracts, it is a good idea to submit one, making your article more noticeable.

## International Law

. As with posters see 3.
