Simone Weil: Resistance and Writing, International Journal of Public Theology

Following the survey, this chapter focuses on three key features of Philo's and Paul's interpretative methodology: the socio-historical contexts of their first-century readers, their use of the literal and allegorical methods of interpretation, and their apologetic motives. Before returning to the United States in 1919, the Meaney family lived for several years in Paris, France. Something like that was just completely impossible.

Simone Weil: Intérpretes de S. Weil

I saw this as both the child being challenged to defend an answer, and to enlighten the rest of the students. In fact, Guyon used the double-voiced discourse to great effect in her Justifications. SUBJECT S Descriptor: PHILOSOPHY Accession No: AAI9989626 Title: Saying and unsaying mysticism: The problem of defining mysticism in the social sciences Author s : Fitzpatrick, Sean Joseph Degree: M.

Simone Weil and theology

Simone Weil was born on February 3, 1909 into an agnostic Jewish family in Paris.

Nancy Worman, The Body as Argument: Helen in Four Greek Texts

Results are presented in chapters on 1 Blake's artistic and religious influences, 2 his disputed status as mystic, visionary, prophet, or madman, 3 the role of Religion in his life, 4 his religious radicalism, 5 his place in The Age of Reason, and 6 Conclusions. Applied to our most recent history, this might explain why the US has been viewed negatively by Europe for the last 40 years, while Communist Russia did not receive the same negative press.

Marie Cabaud Meaney, Simone Weil's Apologetic Use of Literature. Her Christological Interpretations of Ancient Greek Texts

If one gets children used to not thinking about God, they will become Fascists or Communists because of the need to give oneself to something. Although the female figure in traditional texts is always the object of male representation, in this study I examine a set of images of a female body whose representation ultimately seems to frustrate the narrative strategies for which its depiction was created.

Simone Weil

People are eager to believe whatever they very much hope is true.
