

# Batavia places and the people who called them home

[s.n.] - Retirement community residents in Batavia make desks to help kids learning at home during pandemic

Tags: #In

**The Batavia Shipwreck is the craziest Australian horror story you've never heard of**

Cornelisz and several of the major mutineers had both hands chopped off before being hanged. The north-south canal in the top half of Batavia, the Tijgersgracht, was the most fashionable address for prosperous Batavians.

**Retirement community residents in Batavia make desks to help kids learning at home during pandemic**

His research is meticulous, and his readings of the people and personalities involved both credible and engaging. What finally became of him is unknown. In 1632, when the Ciliwung was straightened, a lumber yard was built by the on the new land formed to the west of then Grote Rivier.

**Welcome to County of Genesee**

But disaster struck before they could carry out the mutiny. The coronavirus pandemic is affecting the world and this country. The

reason is that these are, of course, non-existent amidst the direct straightforwardness of the newly reclaimed province of Flevoland.

## Batavia by Peter FitzSimons

Taylor also provides a number of anecdotes about the undesirables in the Dutch population: Taylor, *Social World*, chapter 2. After months of preparation, the foundation began a remake of Batavia, which is now not only a beautiful pilgrimage place in 2017, but it is also a nice tourist attraction.
