Women and Social Work: Towards a woman

She highlights the disproportionate representation of women in mental health services, elder abuse, and those cared for in the community, pointing out that these are all areas in which gender is usually ignored or invisible or that, when it is noticed, the response is usually to suggest that men and women should be treated differently.

Social work and gender: An argument for practical accounts

The book concludes with proposals for a non-sexist code of practice.

WOMEN AND SOCIAL DEVELOPMENT: GLOBAL OPPORTUNITIES FOR GENDER

Please note the Image in this listing is a stock photo and may not match the covers of the actual item, 350grams, ISBN:9780333699638. Women in the world system. Towards this end, I have come up with a list of five suggested actions that social workers, as social justice advocates, scholars, and practitioners, can immediately take up in support of an anti-racist social work practice that puts the Black Lives Matter movement at the center of our work with a particular lens on the gendered experiences of women and girls of color.

Women and Social Work: Towards a woman

The social development paradigm in third world countries: Unfilled promise. First, the smaller number of men in the profession may actually hold more institutional power, and, second, a profession like social work is, as with many fields involving the care of others, devalued. This does not allow much space for the negotiation of gender within an interactional context or the role of language in that process.

Social work and gender: An argument for practical accounts

We're poised to exceed those numbers. Yet these, too, often rely upon limited accounts.

Women and Social Work: Towards a Woman

In relation to questions of sexuality, too, feminist theories have been criticized for their heteronormativity. I believe in the transformative work that we do.
