The Bride of the Wilderness

Performer s : Read by Pam Ward. He lifted Rose's foot, with the slipper still on it, and murmuring her name over and over again, kissed her ankle through the white stocking that covered it. Celene Bernard's husband passed away and no one could be happier than her.

Bride of the Wilderness book by Elizabeth Grayson

These people lived for amusement. First of all, I should say that the blurb for this book is very misleading.

Order of Paul Christopher Books

Hope you will like it and give your comments and suggestions. He had been sleeping here before the wedding —this had been his bachelor bedchamber—and Rose smelled not only the living, breathing Oliver—sweat and gas, brandy and smoke—who was fumbling at her buttons and laces but also the scent left by the Oliver who had been here before she came. I truly loved the espionage works involving the Christopher family, and this book is set 200 years earlier when the ancestors of Paul Christopher arrived in the New World.

The New Wilderness by Diane Cook

But a late-night knock on the door breaks the spell.

BRIDE OF THE WILDERNESS by Elizabeth Grayson

The title is silly, but in fact there is an incredible love story 'incredible' just doesn't do it, and I would insert a lot more adjectives here but I'm holding back at the heart of this novel, but its scope is broad. In the month she had spent in London waiting to be married, she had met no one she liked except Fanny.
