### Victorian Era

Princess Elizabeth Daughter of the Duke of Clarence. Toronto, Ohio Copying part of British Royal Coat of Arms with the Lion, Unicorn Early American Ironstone: These are not fakes or forgeries but are an attempt to make the backstamp on the American ware look like a British mark.

### Who was Queen Victoria? What was her role in the British Empire?

Map showing the British Empire at its greatest extent. When he wasn't being assailed by the public as an interloper, Prince Albert was raising the ire of British aristocracy for what they considered his morally severe tone, and their outrage is perfectly embodied by Albert not being granted the title prince consort until 17 years after the wedding, being addressed until then as HRH Prince Albert. Of course, some decades were times of plenty, others of want.

### Prince Albert

Men were independent, while women were dependent. Both milestones were marked with great public ceremonies. Prime Minister Lord John Russell even called on the queen to do more to end the starvation.

### Prince Albert

The real Edward Drummond was shot, but in different circumstances to his TV death.

### Victoria

The Queen was vastly overweight in old age; this garment has a 38 inch waist, although other garments from her later years have a waist of 46 inches.

### **How Did Young Victoria Become Queen & How Old Was She?**

In the modern imagination, Queen Victoria's reign is perhaps most remembered as the great age of the British Empire. From *The Life and Times of Queen Victoria*, volume II, by Robert Wilson Cassell and Company, Limited, 1900 *The Victorian British Empire* The Victorian dominated the globe, though its forms of rule and influence were uneven and. Even so, she wore black during the rest of her reign, slept beside an image of Albert, and had clothes set out for him every morning right up until her own death.
