KANTS TRANSCENDENTAAL IDEALISME VAN FENOMENEN: STATUS QUAESTIONIS VOOR EEN TRANSCENDENTALE THEOLOGIE on JSTOR

Whatever is real in given notions, the material of all possible conceptions, the omnimoda realitas is brought to a unity in one being omnimoda hanc realitas in ente unico adunata sit necesse est! Traducción directa del alemán, comentarios y notas por Mario Caimi. By Kant's own showing, the task of the Dialectic is not merely to refute the pretensions of transcendent metaphysics, but to develop the above general thesis, in confirmation of the positive conclusions established in the Analytic. Cited in Kant-Studien 6 1901 : 245.

BIBLIOGRAPHIE, Kant

The metaphysical ground of the Cartesian system was God, ens summum et perfectum, whose perfections in the scholastic sense in some way excluded the possibility of the will to deceive. I sogni di un visionario spiegati coi sogni della metafisica.

Israel Idalovich, A critical metaphysical exposition of Kant and Frege's concepts of space

When he spoke of God as vpiolzr ahia he meant not cause in the modern sense of the term, but the ultimate ground of nature. Kant is here viewing Reason as just the understanding in its effort to extend its concepts beyond the limits of experience.
