All Muslim cabinet positions went to League members, and only token Hindus could be persuaded to participate.

## Akaler Shandhaney

It was worth killing over.

What a strange discovery for a Bengali intellectual to make! They let their compatriots die in the streets and won't even dispose of their corpses for hygienic reasons unless paid to do so by the State. This context, it should be understood, was defined above all else by famine. Each title is ranked according to its share of pageviews among the items displayed.
