The RSEO will specify a reasonable time period in which the work should be carried out. The bigger picture More difficult is building a picture of how widespread it is. Drawing upon detailed research with older people, professionals and landlords in six different localities, the report provides the first major study of this important issue.

10 Examples of Landlord Harassment & 10 Examples of Tenant Harassment

There are some basic changes that private landlords can make to create a safe space for LGBT tenants: Rent deposit schemes must be more accessible and the private rented sector should be made more affordable for all communities Tenancy agreements must be more flexible yet offer security: if abuse or harassment happens then tenants should be able to escape without financial penalties, and if they find safe accommodation they should be able to remain there for a significant period of time More landlords should be encouraged and supported to accept LGBT people who

are receiving benefits Private landlords and agents should be offered training and guidance so they can be more aware of LGBT issues We need a more careful regulation of the quality and management of properties in the private rented sector I want to work with landlords so they can understand the issues that LGBT people face on a daily basis, and in their search for stable and secure accommodation. If an LGBT tenant is being abused, and is unable to leave because of the length of notice period, they can become effectively imprisoned within their home.

Penalties for the above offences include fines, revocation of an existing licence or disqualification from holding a licence.

If someone's harassed you in housing

What to do if landlord is harassing tenant? If she is on a month to month lease, give proper notice that the lease will not be renewed. Where the tribunal determines that a landlord has failed to comply they can require the landlord to carry out the necessary work by making a Repairing Standard Enforcement Order RSEO.
