L'un des 450 exemplaires numérotés. L'un des 450 exemplaires numérotés. So when you ask me whether a particular form in one of my paintings depicts a woman's head, a fish, a vase, a bird, or all four at once, I can't give you a categorical answer, for this 'metamorphic' confusion is fundamental to what I am out to express.

**'Glass and Plate of Apples', Georges Braque, 1925**

A black circular shape from which flowers appear to emerge is not a second smaller vase; it is actually a tilted frying pan, containing a small fish awaiting preparation for a meal--a recollection of the artist's austere wartime still-lives.
