**Workplace Ethics : Winning the Integrity Revolution by Alice D. Lattal and Ralph W. Clark (1992, Trade Paperback) for sale online**

There is also a disappointing trend with respect to corporate fraud prosecutions.

## The New World of Work Agenda — The Purple Campaign

You might discount the GBES data as being skewed, because it includes responses from employees of randomly selected companies that may not have formal compliance and ethics programs. The Rape Documentary and follow-up award-winning anthology Love WITH Accountability, providing insight into how institutions can better support survivors of sexual trauma.

## The New World of Work Agenda — The Purple Campaign

This session will highlight existing successful corporate diversity, equity, and inclusion programs and provide expert insight into how current events are affecting how people show up to work. REBUILD Corporate certification programs have been effectively used to create shared norms and expectations where traditional regulatory systems have failed, and the Purple Campaign is developing such a program to address workplace harassment. FIRESIDE CHAT WITH AISHAH SHAHIDAH SIMMONS Award-winning Black feminist lesbian documentary filmmaker, activist, author, cultural worker, international lecturer, and professor Aishah Shahidah Simmons will discuss her ground-breaking film NO! Workers may feel isolated, unsure about how to report remotely, or fearful of retaliation in the midst of an economic recession.

## Business efficiency and ethics : values and strategic decision making

RETHINK INTERSECTIONALITY Any comprehensive solution to workplace harassment must acknowledge and address the intersectionality of the problem—a term coined by Professor Kimberlé Crenshaw to explain how people who share one identity characteristic, such as race, may experience discrimination and subordination differently based on divergent intersecting identity categories.

## Workplace Spirituality and Organizational Performance

PREVENT TRANSPARENCY Transparency helps prevent workplace harassment by creating shared norms, building trust, and demonstrating accountability. There is evidence that our efforts have not been in vain. .

**Business efficiency and ethics : values and strategic decision making**

Writing in a straightforward style, philosopher Ralph W. Clark and management consultant Alice Darnell Lattal address a wide range of questions that are both theoretical and practical. Subject headings -- ISBN 9781137484246 hardcover 1137484241 hardcover.
