**Outline of Practical Sociology: With Special Reference to American Conditions : Wright, Carroll Davidson:**  
tech.radiozamaneh.com.au: Books

Seminary methods in the study of economic and social questions.

**Wright, Carroll D. (Carroll Davidson), 1840**

The course in elementary social economics aims to show the significance for the students of economics and social life of the theories of evolution. Resulting relation between the individual and the state. The class work of the Student is to be supplemented by the direct study of social conditions, and reformatory and charitable institutions.

**Outline Of Practical Sociology: With Special Reference To American Conditions : Wright, Carroll Davidson:**  
tech.radiozamaneh.com.au: Books

Special attention will be given to the conditions of southern life.

**Wright, Carroll D. (Carroll Davidson), 1840**

A critical discussion of the works of the principal sociological writers from Comte to the present time. An introductory course to the study of sociology.

**Frank Tolman: The study of Sociology in Institutions of Learning in the United States**

This is supplemented by lectures and collateral reading. Each student is required to prepare a thesis on some practical sociological topic, which is

counted as part of the class-room work. One lecture and three practice periods each week.
