Contributions of Seljuks to Turkish History

From early on, the Safawids also strove to eliminate any major religio-political challenge to their supremacy. The Early Modern period saw the rise and dominance of economic theory, and the decline and eventual disappearance, in much of the European sphere, of , serfdom, and the power of the. The social prestige of the extended 'Alid families, who were now treated as aristocracy ashraf , was clearly enhanced under the Buyids; and in large towns, especially Baghdad, the 'Alids had their own doyen, known as naqib, who enjoyed much social and political influence in the locality.
