Monastery

For those who want prepared meals, the Monastery Hall dining facility is on the premises. For me- what I really wanted to do is to visit this monastery on my own and quietly reflect- imagine the changes

Monastery

During Ottoman rule Gračanica became an important cultural center. After the 1998—99 , transferred his official seat to this monastery from Prizren and since then the monastery has become not only the most important spiritual but also the national and political center of the. Theodore and other contemporary iconographers are done in acrylics on dry plaster.

DZEMIK d.o.o. Gracanica U STECAJU Company Profile

This monastery is on the UNESCO World Heritage list. There are three main areas, where you can see three different basements: a church, the city's main centre surrounded by walls, the cemetery. Историјски часопис 11: 1960 : 253—264.
