Biden: U.S. is back in the Western alliance

However, they come as the Trump administration appears to be trying to lock in its policy toward Iran before President-elect Joe Biden takes office. The capital is , a sprawling, jumbled metropolis at the southern foot of the.

Iran nuclear deal: US agrees to join talks brokered by EU

We must demonstrate that democracies can still deliver for our people in this changed world. .

IAEA chief warns against military strike on Iran

Late last month, Secretary of State Mike Pompeo stated that Iran had refused American aid for addressing the coronavirus threat.

Iran

In response, Iran — which has always denied it is seeking a nuclear arsenal — has slowly abandoned the limits set by the deal. The heart of the storied Persian empire of antiquity, Iran has long played an important role in the region as an imperial power and later—because of its strategic position and abundant natural resources, especially petroleum—as a factor in colonial and superpower rivalries. Even before the coronavirus, Iran's economy was being battered by U.

500 vehicles in flames after fuel tanker explodes on Afghanistan

The new president warned of a rise in authoritarianism in many parts of the world and did not spare the threat in the United States, where a pro-Trump mob stormed the U.

Iran

Another group has threatened that U.

500 vehicles in flames after fuel tanker explodes on Afghanistan

It has also threatened to expel inspectors from the International Atomic Energy Agency next week. The head of the U.
