The Restoration of a Limited Monarchy in England: Definition & History

In a bitter class struggle, wages were forced up. Many MPs viewed the imposition of taxes as a breach of the Petition of Right.

Christopher Hill: The English Revolution 1640 (1940)

This was an attempt to proceed by direct action to a form of agrarian communism by members of the dispossessed rural proletariat, who argued that lords of manors had been defeated as well as the King, that the victory of the people had freed the land of England, which was now theirs to cultivate. It can be realised how this vast industrial and commercial expansion reacted on agriculture and landholding: for the agrarian changes were caused in part by the demand for more food to feed the new urban areas, in part by the demand for wool for the expanding clothing industry, or by the hunt for minerals; in each case the needs of the merchant class were identical with those of the capitalist farmers and progressive landowners. In war as in peace, the feudal gentry could never resist the prospect of loot.

The Restoration of a Limited Monarchy in England: Definition & History

These new churches gained converts and competed with older Protestant groups like Anglicans members of the Church of England, Congregationalists the heirs of Puritanism in America, and Quakers. Get a Britannica Premium subscription and gain access to exclusive content.

Mike Campbell's Thoughts and Experiences: General Monck (or Monk) ...

In Scotland William was recognized in the Lowlands. Cromwell is one of the most controversial figures in the history of the British Isles, considered a regicidal dictator or a military dictator by some and a hero of liberty by others. And most of the tenants of these gentlemen, and also most of the poorest of the people, whom the others call the rabble, did follow the gentry and were for the King.

England and Parliamentary Monarchy

She and her advisers recognized the threat of a Catholic crusade against England.
