25 Time Management Tips for Work 2021

She recognizes, however, that there is something troubling about the idea that God knows now what I shall do tomorrow. The idea that there is temporally asymmetrical modality is inconsistent with the transfer of necessity principle and the supposition of infallible foreknowledge of an essentially omniscient deity. While on death row, Boethius questioned the events that had befallen him.

The Consolation of Boethius by Sanderson Beck

Boethius rose to the bait twice in his commentaries on Porphyry, and, because of the influence of Boethius, the problem was transmitted to the Christian schools, where many were to follow his example and propose solutions to the problem Porphyry considered too difficult to discuss in an introductory work. This seemed to Theodoric to be the head of Symmachus newly slain.
