## Criminal Enforcement

The Canadian Charter of Rights and Freedoms, the Criminal Code, and common law authorities provide police with both powers to act and limitations to taking action.

## Criminal investigation

Considering these are active and still evolving criminal events, there is urgency to act. No one can be forced to take a polygraph and polygraph results are seldom admissible in court. The grand jury appears to be serving an investigative function, allowing prosecutors to authenticate documents and pursue other leads, rather than considering any charges.

## Investigation

These are significant powers and an investigator must be aware that if they use these powers, there is a strong possibility they will later be called upon to justify the exercise of those powers.

## What does a Criminal Investigator do

Sometimes suspects are accused only for it to be determined later that they are not guilty.

## Chapter 1: Introduction

In other words, what offence is being reported or what is the offence being observed in the fact pattern that is unfolding? Opportunities are missed for other investigators to see details that could connect a similar fact pattern or make the connection to a viable suspect. The investigator would be justified in detaining all parties present, including the witness and the victim, on the reasonable suspicion that they may all have been involved in combative behaviour and might each still pose a threat to the life and safety of others, including the investigator. In future editions, this rubric will be reformatted to increase accessibility and usability.

## The Criminal Investigation Trump Can't Pardon His Way Out of Is "Significantly Escalating"

SmartBook helps students study more efficiently by delivering an interactive reading experience through adaptive highlighting and review. This compensation does not influence our school rankings, resource guides, or other editorially-independent information published on this site. This streamlines the decision-making process by reducing the amount of integrated information necessary in making the choice or passing judgment Shah, 2008.
