Drugs

. Conclusions This survey provided an ordering of major risk factors influencing decision making to protect an unborn baby from the perspective of experienced social workers and midwives.

Handbook of Forensic Drug Analysis

Know the Facts about Drugs is a booklet with information about drugs and drug use.

Research suggests 1 in 10 suspect illegal drug use by colleagues

Any and all of these options are useful tools if integrated with structured psychosocial interventions and practical assistance with housing etc. GAA Club Manual for Dealing with Drug and Alcohol Related Issues GAA, 2007 This manual will help all clubs to develop a Drug and Alcohol Policy. Alongside the usual intelligence and enforcement measures conducted by the PSNI, the Health and Social Care Board works closely with GPs to monitor prescribing rates for medications that are prone to misuse and the PSNI works closely with Customs officials and Royal Mail to try an intercept illegal and counterfeit medications from coming into the country.

Judgements of health and social care professionals on a child protection referral of an unborn baby: Factorial survey

The threats could be directly to them, or to their families back home, or both. Examine your alcohol use and receive information and practical ideas that help you make choices that are right for you.
