**Sharh al**

Kenyataan sebegini kadang-kadang kerap dikeluarkan oleh orang yang mempunyai kedudukan dalam segelintir harakah - terutama anak-anak muda yang bersemangat melakukan amal Islami. We are currently in the process of expanding the site and the scope of what is published on it. His insistence on the limits of law underscores the importance of nonlegal not to be confused with illegal considerations in determining the proper course of action, with significant implications for legal reform in the modern Islamic world.
