What is Marketing? — The Definition of Marketing — AMA

Up to 93% of buying cycles start with an online search.

8 steps to marketing your business

Now's the time to expand Marketing's efforts to help Sales sell better—and more. You can't ignore social media.

10 Marketing Strategies to Fuel Your Business Growth

It is mainly of large scale when compared with B2C.

Marketing Tips

When consumers find your company this way, it has a stronger influence on their future marketing decisions and their feelings toward your business in general. But if you don't, just be yourself. What problem are consumers facing in your niche? This is seen by some to represent the fluid nature of the sector and the democratic approach to design employed by B2B agencies.
