While on the surface it seems like an advancement of theoretical linguistics, this text is quite anti-theoretical. In the forefront of this new movement was the influential journal Tel Quel, which both canonized a body of preferred avant-garde texts both literary and theoretical and nullified prominent figures from preceding generations. With the Great Depression of the 1930s and the rise of fascism, literature and criticism in both Europe and America took a turn away from formalism and humanism toward a more socially conscious mode, as in socialist and , and in the work of many poets.
