### Medical Waste Disposal

Regulated Medical Waste Expertise You Can Trust Disposal of regulated medical waste has been our business since 1989. A Code Describes the activity that generated the hazardous waste or recyclable material.

### Hazardous Liquid Waste Disposal

Sewage effluent exposure is an environmental and human health hazard. We highly recommend Brian and Terry! Whether you require an in house system to process and filter water waste to generate effluent that can be re-introduced into the city sewage system or to simply take away your water based waste, Maratek Environmental has the experience to identify and implement the best solution for your organization. Maratek Environmental is a certified and award-winning industry leader in recycling, recovery, and disposal of hazardous and non-hazardous liquid waste.
