Pro M. Caelio Oratio by Marcus Tullius Cicero

His commentary reveals a broad knowledge of Roman history and a sensitivity to the finer elements of Ciceronian rhetoric. Clodius, amicus meus, cum se gravissime vehementissimeque iactaret et omnia inflammatus ageret tristissimis verbis, voce maxima, tametsi probabam eius eloquentiam, tamen non pertimescebam; aliquot enim in causis eum videram frustra litigantem. Sunt enim ista maledicta pervulgata in omnes, quorum in adulescentia forma et species fuit liberalis.

Pro M. Caelio Oratio by Marcus Tullius Cicero

Do be advised that shipments may be delayed due to extra safety precautions implemented at our centres and delays with local shipping carriers. Il libro regala un quadro quasi completo della società romana e delle dinamiche sociali che più o meno esplicitamente la governano.

Analyze Oratoria: Pro M. Caelio Oratio by Cicero

And yet on that subject what is there that you can expect me to say, when the man who committed the murder is not afraid, but even confesses it? Crassus, cum de adventu regis Ptolemaei quereretur, paulo ante dixit: 18 Utinam ne in nemore Pelio— 19 Ac longius quidem mihi 20 contexere hoc carmen liceret: 21 Nam numquam era errans 22 hanc molestiam nobis exhiberet 23 Medea animo aegra, amore saevo saucia.

Pro M. Caelio Oratio by Marcus Tullius Cicero

Fuit adsiduus mecum praetore me; non noverat Catilinam; Africam tum praetor ille obtinebat. Sed totum genus oppugnationis huius, iudices, et iam prospicitis animis et, cum inferetur, propulsare debebitis. Qua in aetate nisi qui se ipse sua gravitate et castimonia et cum disciplina domestica, tum etiam naturali quodam bono defenderet, quoquo modo a suis custoditus esset, tamen infamiam veram effugere non poterat.
