Gender Issues in Traditional China

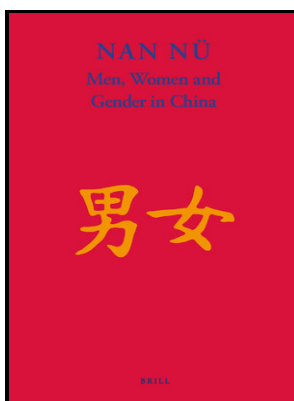

My few problems with The Red Chamber happened early and dissipated long before the end; the narrative jumps from character to character along a seemingly connected plotline, but there isn't much plot to be seen for the first 150 or so pages, and the characters themselves can come across as largely formulaic up to that point.

Women in Traditional China

It was Daiyu who was the heart of the story and whom I most connected with.

Men and Women in Qing China (豆瓣)

Since I thought Chen did a great job of revealing character through dialogue and action, these were at best unnecessary and at worst distracting. The first 80 chapters of the novel were written by , and the last 40 chapters were completed by. Welcome to the website of the Department of Modern Irish.

Lewis Twiby's History and Geek Stuff: The Importance of The Dream of the Red Chamber

Its character-drawing, its deep and rich
 humanity, its perfect finish of style and its
 story entitle it to that. In America, people
 often lament the loss of close family life in
 our culture and may romanticize the
 closeness and loyalty of traditional Chinese
 family life. Estes primeiros oitenta capítulos
 circularon durante a vida de Cao en
 manuscritos.

Soft or tough: standard of handsome men in ancient China

A primeira versão impresa, publicada por
 Cheng Weiyuan e Gao E en 1791, contén
 edicións e revisións non autorizadas polo
 autor.

What Chinese Opera Can Teach Us About Gender

Reduced to its simplest terms, it is an
 original and effective love story, written for
 the most part in an easy, almost colloquial,
 style, full of humorous and pathetic
 episodes of everyday human life, and
 interspersed with short poems of high
 literary finish. In the first few chapters I
 thought the book was hard to read
 because of the Chinese names but I am so
 glad that I stuck with it because this book
 is a gem.
