Can journeys be used to teach English as a second language? Comments diana on June 29, 2020: i love this because you can sign language with these children. However, what sets this series apart from others is its connections between the levels. It has an ESL component.

The Houghton Mifflin Readers (1971)

They are named with the same beginning letter as the beginning letter of the object. We do ask that after this limited permission expires on June 30, 2020, you delete or disable access to all videos or recordings of HMH titles, including those posted to any public or private platforms.
