Grand debuts 'Silence' about Alexander Graham Bell's deaf wife, Mabel Hubbard

About this Item: American Heritage Publishing Co. Hubbard had a sudden inspiration. He is buried in the North Weymouth, Massachusetts cemetery.

Thomas A. Watson

But the great and wonderful thing remained: Mabel herself could speak! The device, which sprung from his studies of sounds and vibrations, was invented at his Boston lab and his family home in Brantford, Ont. Hubbard a conviction that here was a source of understanding and help.

A National Geographic Love Story

From the book cover: When Alexander Graham Bell was a young boy he was always trying to figure out how things worked. He hunted with the Sioux, learned their language, and became skilled at reading the land for the presence of enemies.

40+ Alexander Graham Bell Photos ideas

We know him better as Alexander Graham Bell. Hubbard thought he had never realized before how hopeless the situation really was. Twenty years ago Horace Mann and I took our wives on wedding trips to Europe.

Graham Hubbard

He became the brilliant inventor and she became the business manager of his industries. Little lady, May, she said very distinctly.
