### Забывтые имена уральского камня: Иван Сергеевич Стебаков

Gannushkin, leader of the Moscow psychiatrists, closed the door on the compromised genre. For that reason, even if Dickens need not feel it incumbent upon him, as a novelist, to bear direct responsibility for serving as spokesman for the strivings of his age, in so far as these can find expression in fields other than belles lettres, in Russia the novelist cannot have recourse to such justification.
