In some manuscripts the parallel sections are indicated at the bottom of the page. The problem is to be solved by a process of reasoning upon probabilities; and what has to be considered, in every case, is which hypothesis will best explain all the phenomena. The central language of scholars and other readers was Latin, while the core of this tradition was classical literature and Judeo-Christianity.

Postmodernism/Post

In Bishop Fell's edition Oxford, 1675 , which reproduces substantially the Elzevir text, other authorities, including readings of the Coptic and Gothic versions, are given in the notes, though the title page ex plus 100 MSS. However it is the 1943 version which continues to be printed.

Theory & Methods

And Aristotle remarks: Epic poetry and Tragedy, Comedy also and Dithyrambic: poetry, and the music of the flute and of the lyre in most of their forms, are all in their general conception modes of imitation. In the Editio Lipsiana secunda 1849 the critical apparatus was much enlarged, and the text settled on the basis of ancient authority, generally with good judgment.

Archetypal Criticism

The notion that there were two Sapphos-one the poet and the other the courtesan-is discussed and dismissed.

Pavlos Andronikos

The difference between this approach and the didactic approach is that didactic approach considers author as a teacher, while the reflective approach considers him or her an observer. Part One: Gender and kinship in married life. The tendency of scribes was almost always to add, rather than to omit.

Brief Illustrated Autobiography

Out of her experience has grown a love of words and the patterns they make in her life.
