## Profiles, views and observations of visitors to the Addo Elephant National Park, Eastern Cape, South Africa

Kruger O 2005 The role of ecotourism in conservation: panacea or Pandora's box? Although tourism development may cause loss of native language and local culture , it can cause the development of the host countries in terms of educational and cultural conditions. These examples require a fully fledged plan with the support of government and nongovernmental agencies.

## Environmental Policy Beliefs of Stakeholders in Protected Area Management

Depending on the purpose of tourism, it has been classified into different types, one of which is ecotourism. These areas include mainly the 1500 m-periphery of the major rivers and springs.

## Ecotourism

In a study by , the application of GIS in post-modern tourism marketing was investigated. The development of indicators for sustainable tourism: results of a Delphi survey of tourism researchers.

## Risk management for sustainable tourism in: European Journal of Tourism, Hospitality and Recreation Volume 7 Issue 1 (2016)

Including more than 26% 520612 ha of the entire area, this zone has the largest extent in the province. Acknowledgments We are very grateful to Abishek Behl, Graham Burton, Janet Cochrane, Ian Craigie, Phil Dearden, Dubiure Umaru Farouk, Richard Jenkins, Afan Jones, Chris Kirkby, N. The instrument utilized in this research proved quite reliable and valid in measuring stakeholder environmental policy beliefs.

Internationally, rates of growth in the number of visits to such areas show a clear negative association with per capita income, which interestingly is matched by trends in foreign arrivals as a whole. Cambridge Massachusetts : MIT Press.

#### **LAND CAPABILITY EVALUATION FOR ECOTOURISM DEVELOPMENT IN ILAM PROVINCE, A GIS APPROACH**

Due to great income generation, tourism and ecotourism have urged countries to pay special attention to this industry. The hillside climbing and water sports are among the tourism resorts of the zone. Despite the oligotrophic nature, plankton populations developed well while algal blooms were frequent and aquatic macrophytes were persistent.

#### **LAND CAPABILITY EVALUATION FOR ECOTOURISM DEVELOPMENT IN ILAM PROVINCE, A GIS APPROACH**

One nonexclusive alternative explanation for the patterns of changing PA visitation that we see could be that many formal protected areas in richer countries are becoming increasingly crowded and thus less attractive to nature enthusiasts J. Nature-based tourism is only likely to be sustainable under certain conditions of effective planning, management, and local participation ,—.

#### **A Global Perspective on Trends in Nature**

Scholes RJ, Biggs R 2004 Ecosystem services in southern Africa: a regional perspective. Duke Environmental Law and Policy Forum 13: 143—186. The correct diagnosis of tourist behavior will contribute to suitable site selection of tourist destinations.
