New Orleans Gardens

Filigree Fences Above: A cast iron fence in New Orleans. Icon - Close Used to indicate a close action. It was sold off in parcels to mainly wealthy Americans who did not want to live in the with the.

Guide to the Garden District

The 19th-century origins of the Garden District illustrate wealthy newcomers building opulent structures based upon the prosperity of New Orleans in that era. When she decided to move back to France, she sold it to a group of businessmen who divided the plantation into blocks and sold off sections. While many people dream to participate in Mardi Gras, there is way more to the city than just a party.

A Tour of the New Orleans Garden District

Hills and William Lord Roberson by Matthew Morgan, Samuel J. Cruise through the modern-day highlights and tumultuous history of New Orleans on a private pedicab tour that takes you to sites such as Buckner Mansion and Laf  ette Cemetery No. Adams, merchant, who in 1860 purchased the Garden District part of the former plantation of Jacques Francois de Livaudais, built the Adam-Jones House and made it his residence until 1896.
