**Harvey Cox**

Norris, Pippa, and Ronald Inglehart. Basically wherever Cox talks sociology I agree with him, wherever he talks theology I almost always disagree.

**Secular City: Secularization and Urbanization in Theological Perspective**

The wall was constructed a few months before I arrived, so I had to commute back and forth through Checkpoint Charlie.

**The Secular City: Secularization and Urbanization in Theological Perspective by Harvey Cox**

Every aspiring author hopes that thousands of people will read the book he writes, but secretly wonders if anyone will. For this brand-new edition, Harvey Cox provides a substantial and updated introduction. He reflects on the book's initial stunning success in an age of political and religious upheaval and makes the case for its enduring relevance at a time when the debates that The Secular City helped ignite have caught fire once again.
