African traditional tribal masks

I consider vodun a sister religion to Lucumi and will share this article with my brothers and sisters in Ocha. Traditional Arts and History of Zaire. Bois dur, traits fins, long bec, beau masque de case.

870 idées de Art africain

The hero descends from the sky goddess, and thus represents the sun, its body is often elongated and short legged to represent the who burrows into the earth like a farmer. They are made from wood, pottery, textiles, copper and bronze. Croix-signer : Tracer une croix sur un objet ou sur une personne.

AfricaBib

Seuls les yeux sont représentés de façon figurative cette forme symbolique : ils rappellent que les esprits des défunts sont toujours en éveil.

Masque de case

Of course, voodoo is deep in the psyche of farmers and peasants because they are, for the most part, illiterate and unsophisticated. The headdress on this mask, for example, evokes the Bushoong hairline and the practice of covering areas of the face with metal. To summon them requires certain formalities.

musée du quai Branly

Other regional styles have been proposed, including the region style, with a thin, delicate, vertical form within almost human, snoutless face. Il a publié en Europe, spécialement en Allemagne, et en Afrique.
