**Rabinal Achi**

No obvious damage to the cover, with the dust jacket if applicable included for hard covers.

**Rabinal Achi: Xajooj Tun/ Ou Ballet du Tun**

A series of combative dialogues pits the offending warrior against the local warrior Rabinal Achi and the king Job Toj , reconstructing the deeds of those involved and retracing the antagonistic history of these two Mayan groups, the Quiche and the Rabinaleb. Just as Brenton learned to love and appreciate the text as one of the few precious fragments of a once thriving tradition of Maya dance-dramas, this new translation helps us to appreciate, albeit as outsiders, a people's cherished cultural heritage. This performance has been a part of Rabinal history for centuries, and continues to be a part of the culture today.

**University Press of Colorado**

The dancers move in a circle while the two princes face off against each other in the middle. In 2005, UNESCO declared Rabinal Achi to be a Masterpiece of the Oral and Intangible Heritage of Humanity.

**Rabinal Achi**

For this production, the jaguars and eagles were each represented by one performer as opposed to the usual thirteen. This drama is still performed with a ritual dance in the village of Rabinal Baja Verapaz. Because it is such a serious crime, K'iche' is caught, at which time Rabinaleb reminds K'iche' of all of his feats, both bad and good.
