### 32.3 New Century, Old Disputes

Unmarried pregnant women became a critical social problem.

## Twentieth Century: Society in the United States

Wolfowitz also worked as the President of the World Bank 2005-June 2007. At the end of the nineteenth century, a confluence of events made urban life more desirable and more possible. RELATED: In response to the California drought, a local campaign in Ventura urges drivers to skip car washes and cruise around in dirty vehicles.

## Twentieth

Technologies such as electricity and the telephone allowed factories to build and grow in cities, and skyscrapers enabled the relatively small geographic areas to continue expanding. Ferni nuclear power plant 30 miles southwest of Detroit, but US Supreme Court allows it to restart. In addition to water, more than 800 million people more than twice the population of the United States go to bed without food every single day—300 million are children.

### 32.3 New Century, Old Disputes

Intracity Transportation As cities grew and sprawled outward, a major challenge was efficient travel within the city—from home to factories or shops, and then back again.
