Letters to the Congregation

To thrum guitars and fecht w' nowte, —Burns : TAe Twa Dogs, Lord Seafeld, who was ac- cused by his brother of accept- ing a bribe to vote for the union betwixt England and Scotland, endeavoured to retort upon him by calling him a cattle-dealer.

Tutira

Note carved wooden mouth of calabash, and woven basket around gourds and on tripods, also the kits of potatoes beneath.

Americanisms; the English of the New world.

The residue was for all practical purposes — though I believe not absolutely — restored to its former owners. It was coated with a matted humus overlying æolian punice grit, overlying disintegrated red sand. The late Emperor Alexander of Russia, smarting under the defeat he had suffered in the Crimea at the combined hands of the French and the English, decreed that certain documents should be translated from the Russian into the American tongue.

Lenten Letter

But it seems, the greatest Part of the Hides are sent out raw, for want of Bark to Tan them; and that Want will daily grow stronger: For, I doubt, the new Project of Tanning without it, is at an End.

NZETC Subject Headings

NOW, Sir, to return more particularly to you, and your Memorial. With the usual carelessness of colonists, and owing in part to the ignorance of settlers of foreign origin, the term gopher has been applied to various animals, often entirely dissimilar in form and mode of life. The valleys gouged out, the sand and grit borne down, minus that percentage drained off in the form of muddy water, rest at the bottom of one or other of the lake basins.
