**Approaches to Literature**

Verisimilitude: Literally — the quality of appearing to be real or true.

**Approaches to Literature**

By pointing out several passages in which open questions remain and the reader has to interpret on his own, I will discuss Indeterminacy.

**Approaches to Literature**

More precisely, I will define these features and will concentrate on the most important characteristics which can be linked to the novel. Came out just before unnatural narratology became a thing, and is a bit out of date as a result.
