History of Auvergne

Nordic skiing in many places.

10 reasons to visit the Auvergne

Surrounded by a 40-hectare parkland, this four-star hotel offers the refinement of a 19th-century manor house with guest rooms decorated in old-fashioned French style. Le Puy en Velay is best reached from Paris by TGV to Saint Etienne, and local train through the Loire gorges thereafter. The mountains of the Margeride, dividing the Cantal from the Haute Loire.

10 reasons to visit the Auvergne

The Basilique Saint-Austremoine is an awe-inspiring 12th-century monument with an ornately decorated interior. Four sites in Auvergne get the top Michelin Green Guide 3-star ranking. On a fine day you can see as far as the city of Clermont-Ferrand, and beyond, the mountains of Forez.

Auvergnat

Other outdoor activities include mountain biking, horseback riding, rock climbing, river rafting, kayaking, and canoeing.

d'Auvergne School, Jersey

The small city of , famous for its lace-making and UNESCO listed cathedral, is one of the most unusual cities in France, due to the rocky pinnacles that stick up in the middle of it. Clermont Ferrand also has direct services to Lyon just over two and a half hours , and rather slow but very picturesque direct services to Nîmes and to Beziers. The cheese is often used in salad dressings, pastas and also is a good cheese for snacking.

Auvergne tourism and heritage

This regional park opened on October 25, 1977. Historical monuments of interest in Puy-de-Dôme include the and , and the exceptional 12th century church at.

Auvergne Wine Regions

However, the European plate slipped under the African plate.
